USED to be that reporters Council meetings to find out what was going on in town. But, however, all the action seems to take place at work sessions which Councilmen stress open to the public and the press. On two recent occasions, a reporter attended the work and budget session, got his big and skipped the regular meeting. Not griping, you understand, just commenting on kind of unusual situation.

WYANNE FARIA, 13, daughter of George of 1023 Ordway, is a young lady. Although she has been painting in oils for less than three months and has had formal training, she is having a man show at Pot Luck restaurant, 2400 San Pablo, Berkeley, from July 30 through Aug. 3. She will be an eighth grader at Albany High in September. In addition to painting, she cooks, knits, sews and has played piano for five years. Her paintings will be for sale.

REMINDER: new dogs and owners may enter Mary Kelly's Dog Obedience classes Saturday, Aug. 5, at University Village. Dogs must be six months; owners, at least 10 years.

DEATH SENTENCE COULD DETER MURDER EXCHANGITES ARE TOLD

The death sentence could be a deterrent to murder if it were imposed by the courts according to the vice president of the California District Exchange Clubs.

The district vice president, John D'Alfonso of San Diego, spoke at the installation banquet of The Albany-El Cerrito and Berkeley Exchange Club recently at the Holiday Inn, Richmond.

D'Alfonso called upon Exchange Clubs to promote a year long continuous Crime Prevention Program instead of restricting activities in this field to the traditional Crime Prevention Week sponsored by Exchange Clubs throughout the nation in February of each year.

Exchange Clubs "are a great force for integrity, for freedom, for law and order" the district vice president said. He urged members to set examples of leadership so that young Americans may be inspired into paths of decency and the perpetuation and maintenance of an orderly society.

Would-be criminals must be preconditioned to the bleak knowledge they cannot win and will not be pampered, he said.

D'Alfonso was strongly critical of arguments proposed by opponents of capital punishment. He pointed out the Lindbergh Act with its resultant death penalty was largely instrumental for stopping the wave of kidnapping which plagued the nation during the early thirties. He cited the "ridiculous and absurd argument" frantically presented by convicted killers in their last ditch efforts to escape the death penalty.

He said that Great Britain has suffered a crime wave since its death penalty was abolished but countries such as Canada and Australia, which have the death penalty and use it, still enjoy an orderly society.

hospital. Ken underwent surgery on his knee for an injury sustained while fighting a fire.

MAXINE FOLEY of 627 Cornell has asked us to request blood for her brother, Henry Colto, who will undergo open heart surgery Sept. 1 at Palo Alto-Stanford hospital. He needs 16 pints. Blood is taken by appointment only at 6230 Claremont Ave., Oakland. Phone 654-2924.

MARJORIE STOTT has contributed this item: "The Albany Street Department were cutting trees this morning on San Carlos Avenue when one of them discovered a nest and two little robins had fallen when one branch was cut. Promptly all work ceased for a few moments while the worker ran to save the nest and the babies. He then climbed the tree across the street and placed the nest and birds high up in the branches. The mother robin had been protesting from a power wire, but she immediately flew to the nest and the protection of the baby birds. I do not know the names of the men working on this project but a 'tip of the hat' to them. It helped ease the sorrow due to the necessity of having the trees cut down."

Art Show Again Aug. 25-27

THE ANNUAL Albany Chamber of Commerce Art Show and Merchants Bazaar will be staged Aug. 25-27 this year in Memorial Park. The above photo shows one of the crowds gathered for the previous show. The format will be changed to circular this year. For reservations for booths or art panels, call the Chamber of Commerce at 525-1771.

Hunter-Safety Training Offered

Another hunter safety training course will be given by Officer Robert Buck of the Albany Police Dept. and will consist of four hours of class room instruction and one session on the shooting range.

The first session will be given at 7:00 p.m., Aug. 17, in the Council chambers of the Albany City Hall. Anyone may sign up for the course at the Albany Police Dept.

Section 3032 of the fish and game code provides that no hunting license shall be issued to any person under the age of 18 years unless he presents to the person authorized to issue such license either (a) evidence that he has held a hunting license issued by this state in a prior year or (b) a certificate of competency as provided in this section.

Although the course being offered is primarily for the above purpose, anyone who is interested in the safe handling of firearms is invited to attend.

High 12

Albany High 12 will resume meetings after a month's vacation this Friday noon at Kirby's in El Cerrito Plaza.

Ervin Clausen will speak on "What One Man in 400,000 Thinks and Does." It will concern present trends in the world.

President Fred K. Beeson has designated Past President Gardner Thomas to preside over the meeting in keeping with a custom he has established of inviting past presidents to preside.

All Master Masons are welcome.

Council Denies License To Le Fireplug on Solano

Albany City Councilmen unanimously (4-0) Monday night denied the application for an alcoholic beverage license for on-sale beer to Le Fireplug, an a-go-go establishment which had planned to open in the old Mechanics bank at 1107 Solano Ave.

The decision was reached after a letter from Police Chief Ralph Jensen described his visit to another Le Fireplug in Martinez and urged holding up the application until a regulatory ordinance governing such establishments can be drafted.

Councilman Lewis Howell pretty well summed up the Council's stand when he said new businesses should provide their own

Council Acts On Budget Next Monday

City Council is expected to take final action on the proposed 1967-68 budget at the meeting at 8 p.m. next Monday night.

Also to be on the agenda is a letter from the Berkeley-Albany American Civil Liberties Union objecting to alleged "bugging" of the Albany city jail.

Contract For Linar Park Under Study

Authorization to advertise for bids on the nation's first urban beautification project will be sought at the regular semi-monthly meeting of the BART Board of Directors this week.

The contract is for creation of a three-block-long segment of landscaped "linar park" beneath BART's newly erected aerial transit line near Solano and Masonic Avenues in the City of Albany.

BART received the first urban beautification grant awarded by the United States Department of Housing and Urban Development to demonstrate the linar park concept along a 2.7-mile portion of its transit line through Albany and El Cerrito. Total amount of the grant was \$447,000, which will pay for 90 per cent of the project cost.

Mr. and Mrs. Joseph Buell

Leslie Hom Photo

The Northbrae Community Church was the setting for the recent wedding and reception of the Judith Elaine MacLeod, the

daughter of Mr. and Mrs. Arthur MacLeod of Albany, and Joseph Clyde Buell, the son of Mr. and Mrs. Philip Buell of Pinole.

Given in marriage by her father, the bride wore a full length Vene design of Alecon lace and cream white silk Pea de Sol. Her sheath skirt with Alecon lace appliques and scalloped hemline was attached to a fitted elbow length sleeved bodice of lace topped with a scalloped neckline. The bride wore a matching chapel length coat train accented with lace and small shoulder bows. Her wrist length gloves were trimmed by an inlay of matching Alecon lace. To complete her ensemble the bride's four tiered shoulder veil of imported English silk illusion was held in place by a headpiece of petals and seed pearls. She carried a cascading bouquet of yellow centered, white philodenisus and stephanotis.

Mrs. Katherine Johnson of Orinda served as the matron of honor and single attendant to the bride. She wore a floor length maize chiffon coat dress with a sheath skirt, fitted bodice, scoop neckline, and long sleeves. Shoulder self bows trimmed the coat, and an Aurora borealis and pearl tiarra held her four tiered veil of matching color. The matron of honor carried a cascading bouquet of deep yellow roses.

The groom's father, Mr. Philip Buell, acted as best man, and the groom's younger brother, Thomas Buell, shared ushering duties with the bride's eldest brother, Frederick MacLeod. The groom and his attendants were

attired in Oxford gray, single-breasted, one button suits with grey-striped cuffless trousers. The groom's boutonniere was comprised of stephanotis similar to those in the bride's bouquet.

Honored guests were the groom's grandparents, Mr. and Mrs. Clyde Buell of San Jose. Their 50th wedding anniversary reception was combined with that of the bride and groom following the ceremony.

Judith was a graduate of Albany High School in 1963 and recently received a Bachelor of Arts in psychology at the University of California at Berkeley. She intends to pursue a career in school psychology after having acquired an MA in clinical psychology. Joseph graduated

from El Cerrito High School in 1959 and has recently from active service in the U.S. Navy. He is now attending studies in civil engineering at the University of California at Las Vegas for their master's degree and are now residing in Las Vegas.

Other out of town guests included the bride's brother, Richard MacLeod, and his wife, Katherine, and their daughters, Katherine, Anne, of Las Vegas, and the bride's cousin, Mr. Buell, of Portland, Maine. Also those assembled were the groom's aunts, Mrs. Sen and Mrs. Don H. her daughters, Margaret, and Mary, the groom's home-state of

Norma Hadley Married

Mr. and Mrs. Neil Larson

Bob Lynds Photo

The Church of Jesus Christ of was the setting for the recent Latter-Day Saints in Berkeley wedding of Norma J. Hadley,

daughter of Mrs. Lois Worley Hadley and Mr. Clayton Hadley, to Neil W. Larson of Palo Alto.

The bride wore a floor length shantung gown in the empire style with applique flowers at the neck and waist.

She was attended by Lora Beth Larson, Vaunee Ann Larson, and Mary Lou Larson, sisters of the groom. They wore pink banded lace carrying out the empire theme.

The groom, son of Mr. and Mrs. A. Warren Larson of Berkeley, had as his best man his brother David A. Larson. Neil attended the University of California at Berkeley where he received his B.A. in mathematics. Norma, an Albany High School graduate, received her B.A. in English at Brigham Young University.

Attending the wedding from out of town were Mrs. L. B. Thompson, Jr. and her daughter, Mrs. Wm. Vetter from Oregon; Mr. and Mrs. C. A. Johnson of Empire, Calif.; Mr. and Mrs. J. C. Larson from Pleasant Hill, Calif.; Mr. and Mrs. Paul Geddes of El Monte, Calif.; Mrs. Loren B. Thompson of Portland; Mr. and Mrs. John Worley, Jr. of Salt Lake City; and Mr. and Mrs. David Larson of Chicago, Ill.

The young couple spent their honeymoon in San Francisco.

Berkeley Red Cross Sponsors Vietnam Hospital

Sponsoring the Cam Ranh Bay Hospital entails much work, planning and coordination by the Berkeley Chapter of the American Red Cross.

At the helm of this project are Lewis Giegerich, Chairman, and F. E. Wilson, Chairman of the Supply Committee. Their hands pass all the items from the hospital and, through the fulfillment of those items, from books to ball pens; bath suits (made of discarded airplane seat cushions); Xmas ditty bags (1200 each); and other necessities. The hospital is invited to participate in either cash donations or purchase of articles or services themselves may be sent to Chapter Headquarters, 1400 Union Way or Telephone 525-2722 for suggestions and the items requested. Every item must be new, however.

Local papers are generously providing weekly issues and, in turn, their monthly issues. Contribution of a subscription to either a paper (a weekly or a magazine such as Life, Look, Post, etc.) is greatly appreciated by the hospital. The hospital is recovering before being sent to their assignments. As a result of our first shipment, supplies shipped 28 February will prove to be about average time required. All items are most welcome and will be enjoyed by many. Woesner, Recreation Supervisor, recently assigned to the hospital writes, "We have been a lot of painting in our hospital this last week. It is a new drab building. Several volunteers to do the painting and they took great pleasure in their work. The patients from all branches of the army, but primarily the army, seem to get a little better with each passing day. The weather is now running at 105 degrees with the real weather yet to come. We

look forward to the breeze that springs up each afternoon, but we are always fearful that it will blow a little too hard and start picking up the sand. It cools off at night and is very pleasant for which we are indeed thankful."

Later she writes, "Enclosed is a recent mimeographed map of the entire Medical Center and a picture taking of the Red Cross building. It has been assigned to set up a medically approved recreation program for the patients. It is quite an experience being the first and only female assigned in the area, so far."

"Our buildings, as you can see are tropical, with the lower half covered and the top half screened. This type of structure allows air to circulate easily. We have installed 7 wall fans throughout the building to attempt to keep the patients as comfortable as possible."

Even as a convalescent spot, it doesn't sound exactly like Palm Springs, so that anything we can do to add to their comfort or lighten their mood will certainly be appreciated by the men in Vietnam.

Melvis Hayes Visits Singapore

Machinist Mate Second Class Melvin D. Hayes, USN, son of Mr. O. H. Hayes of 976 Stannage Ave., Albany, Calif., serving aboard the light guided missile cruiser USS Providence, departed Singapore after completing a three-day goodwill visit.

While in Singapore, the crew was given an opportunity to visit ships of the Royal Navy at the naval base where the Providence was moored.

Also during the ship's stay, hundreds of special visitors were welcomed aboard the Providence for guided tours.

Providence is flagship for the Commander of the U. S. Seventh Fleet and is homeported at Yokosuka, Japan.

Control Those Mosquitoes Now!

The itching finger of the hand which was exposed while you slept bears witness of the hungry mosquito in your room last night.

This is the watering season and standing water is sure to be the hatching place for these pests, according to Robert McMahon, M.D., Albany's Health Officer. If the local cats caught your last gold fish, there is nothing in your pond to suppress mosquitoes. If water stands in a jar or container, this will soon be discovered by Mrs. Mosquito.

To control mosquito breeding, a little oil or some general garden insecticide in the water works well. Emptying the pond also does it. Even one goldfish would keep the pond free of larvae since they are its natural food.

Once the mosquitoes are flying they are out of reach, so control of breeding now is the easiest way to freedom from these pests, says Doctor McMahon.

Cub Den Four Visits Times

The Albany Times played host to Cub Scout Den 4 of Pack 7, thoroughly enjoyed the visit, and received the following letters of appreciation:

"I enjoyed visiting the Albany Times building. It was very interesting. I found that you print two newspapers. I like the mats that you gave us. I hope that I can visit the Albany Times again. Yours truly, Mark Kiser."

"I enjoyed the visit to the Albany Times. I liked the printing machine. Thank you for showing us around. Once again, thank you, Yours truly, David Fox."

"Thank you for showing the Albany Times to us. And the best thing I liked was the printing press. Yours truly, Danny Pope."

"Thank you for showing us through the building. I liked the press best. Yours truly, Bruce Fox."

"Thank you for showing the Albany Times to our den. Yours truly, Kevin Pope."

You are always welcome at the Albany Times, Cub Den 4!

Report From Kent Pursel On Social Welfare Expense

about two months ago it was reported in your paper that I had brought to the attention of the Board of Directors of the State Supervisors Association that the regional offices of the State Department of Social Welfare were an unjustified expense and had little or no purpose. The Supervisors Association

and Board backed this point Budget" deleted some fifty-five of view and agreed that it was positions from these three re-a duplication of already existing gional offices. A check with the services and that its services fiscal officer of the State Welfare were rarely, if ever, utilized by Department. Mr. James, esti- the county's welfare administra- mated that this achieves a saving of better than \$600,000 annually.

I am happy to report that ac- These figures are included in the tion taken by the "Joint Con- document "Final Reports on the ference of the Legislature on the Governor's Budget," pages 112

and 113. The reduction in per- sonnel is as follows: 25 from the Sacramento area office; 14 from the San Francisco area office; and 16 from the Los Angeles area office.

I believe that as a result of raising this issue we have saved a little over \$600,000 of the tax- payers' money. Apparently, the

administration was glad to go along with this reduction and has in progress a re-evaluation of the entire operation of the regional offices to ascertain whether or not their continued existence can be justified.

Thanks For Writing . . .

Editor, Albany Times:

Referring to Mrs. Gordon's letter quoted in today's issue of The Times, which was occasioned by my letter which appeared in the July 19th issue regarding a BIG SALUTE to McDonald's Hamburgers.

I am sincerely sorry that my letter 'incensed' upset and disturbed Mrs. Gordon. I hope that my second letter which was quoted in today's issue has changed Mrs. Gordon's apparently hastily formed opinion of me.

The words 'COVERED' ALBANY as used in Mrs. Larimer's column of the 12th, was understood by me to mean that McDonald's had 'covered' all streets in the City of Albany. My first letter was written because I knew of at least one street that had not been completely covered.

The explanation given in your note in the July 19th, issue cleared this up and in my letter quoted in today's issue I stated that I concurred with Mrs. Larimer that a big salute was deserved by McDonald's, and that it was a great public relations gesture.

Vince Vandre, press aide to Attorney General Thomas C. Lynch, is joining a Washington, D.C. task force studying the question of placing prescription drugs under Medicare.

Vandre has a one-year appointment as consultant to a federal group headed by Dr. Philip Lee, assistant secretary for health and scientific affairs in the Department of Health, Education and Welfare.

Vandre, 45, will also assist the task force secretary, Dr. Milton Silverman, on HEW projects to control alcoholism and dangerous drug abuse. Dr. Silverman, a Bay Area science writer for many years, left the California Wine Advisory Board in 1965 to become Dr. Lee's special assistant. From 1956 until he joined the Attorney General's staff in March, Vandre was information officer for California's alcoholism program in the Department of Public Health. He and his wife, Beverlie, and daughter, Melody, live in Albany.

Fewer Deaths, More Births In County

Nine per cent fewer deaths and three per cent more births were recorded by the Alameda County Health Department during the first half of 1967 as compared with the first six months of 1966. "This means that the 'natural increase in population' (excess births over deaths) during the last six months amounted to 3,602," James C. Malcolm, County Health Officer said.

Deaths registered by the Department January 1 to July 1 numbered 3,793 this year and 4,176 for the same period in 1966. Births were up from the 7,164 recorded the first half of 1966 to 7,395 during the first six months of 1967.

An increase of nearly 500 cases of gonorrhea was also reported by the County Health Officer. The Department recorded 1,987 cases of gonococcal infections during the first half of 1967. During the same period in 1966, there were 1,497 cases of this disease reported.

Cases of syphilis numbered 280 for the first six months of 1967, down from the 363 syphilis cases reported in the first half of 1966.

Alameda County Vet Association Points Out Pet Infections

Although it is possible for a pet to spread disease within a family, the Alameda County Veterinary Medical Association points out that the chance of infection from a pet is less than from other members of the family.

Intestinal parasites are common in dogs. They can transmit these parasites to man, but relatively speaking the transmission is rare.

More often, the family pet is unjustly blamed for passing "pinworms" to man. However, dogs and cats do not harbor "pinworms."

Dogs do transmit rabies, but fortunately pets can be immunized against rabies—which protects both pet and family.

Anthrax, brucellosis, salmonellosis, and tularemia are diseases which a pet will occasionally contact, but they rarely transmit them.

Dogs can contact certain diseases from man; dogs can catch diphtheria, scarlet fever, tuberculosis, and ringworm from their owners. The chance of trouble will be reduced if you have your veterinarian examine all new pets.

Mrs. F. E. Steves New President Of Sorority

The first Preceptor Chapter of Beta Sigma Phi in the East Bay, Preceptor Alpha Nu, recently welcomed five additional charter members, as well as installing new officers, at the home of the incoming president, Mrs. F. E. Steves of Albany.

Mrs. George L. French conducted the candlelight ceremony, bestowing the Preceptor degree upon the following members: Mesdames Russell McElroy, M. O. Davis, Theron Grover, Melvin Shaw, and Miss Miriam Machlis.

Mrs. Dorothy Minkler, outgoing president and incoming treasurer, installed the new officers: Mrs. F. E. Steves; Miss Patricia Taff, vice president; Miss Sarah Swift, recording secretary; and Mrs. B. J. Cecil, corresponding secretary.

GP Women Hold Meeting

August membership meeting of the Albany Republican Club will be held on Wednesday, August 7, at the home of Mrs. Andrew Gotzen, 1027 Talbot Ave. The business session will start at 8 p.m. Mrs. Andrew Gotzen will review "Where's the Club?" the Ronald Reagan written by Ronald Reagan, Richard Hubler. The review, written by a GOP spokesman, provide a greater insight into the life of this man who is "deserving to become California's next governor."

The Labor Day holiday, which will be no September meeting, will be held in October and will be held in the Cornell School teachers' lunchroom.

Baseball Tournament At Chabot

General William D. Eckert, Baseball Commissioner, in a letter to American Legion officials this month saluted the Legion's baseball program. The Tenth District of The American Legion, Alameda County, is hosting this year's Area No. 2 Tournament to be held at Chabot College in Hayward, California. This is the first

in Alameda County. The Albany Post will actively participate in the event.

Four Bay Area teams will meet in competition starting Aug. 3, with the championship being decided on Sunday, Aug. 6. The winner will go to the California State Championship playoffs in Ontario scheduled for the following week.

General Eckert's letter said, "Professional baseball salutes The American Legion as your splendid baseball for young Americans enters its 42nd season. Professional baseball is proud of its comradely association with American Legion Baseball—an association that dates back to 1928; only two years after the Legionnaires launched their nationwide baseball championship as a National Program of Service to the Youth of America."

"Professional baseball is proud of more than two-and-a-half million American boys who have learned the lessons of sportsmanship, team play and discipline in American Legion uniforms during the program's first forty years; proud, too, that thousands of these boys went on to face the challenge of professional baseball; proud of the hundreds who have played and starred in the major leagues."

"Professional baseball salutes The American Legion, and all the devoted men who sacrifice so much time and effort in order that young men may enjoy the benefits of this greatest of all games—the administrators, managers, coaches, players who maintain American Legion baseball on such a high level of excellence. Professional Baseball hopes American Legion Baseball will be even more helpful to American youth in the future."

Bayview Aerie Holds Barbeque

Bayview Aerie 2323 will hold their Annual Western Barbeque Dinner-Dance Saturday, August 5, at the Aerie Hall, 3223 Carlson Blvd., El Cerrito.

There will be a happy-hour for members and their guests from 6:30 to 7:30 p.m. Barbequed New York steaks plus all the trimmings are scheduled to be served from 7:30 to 9:00 after which time the Musicians will furnish the music for a dance to help round out the evening.

This Annual Western Barbeque is one of the biggest events of the season put on by Bayview Aerie and a large turnout is expected.

AAEP MEETING

The American Association of Retired Persons will meet Tuesday, August 8, at 1:30 in the Senior Center, 846 Masonic Ave. At 2 p.m. the Rev. Paul C. Reiter, who recently returned from the Holy Land will speak and show slides from his trip. Everyone interested is invited to attend. Refreshments will be served.

SENIOR CITIZENS

846 Masonic Ave.

All of us, here at the Center, miss Emma Claymore, our able and dependable publicist. We hope her wrist will mend quickly, so she can soon again return, not only to record our many activities, but to take her usual active part in them.

Many of our members are busy making Miami Bonnets, out of gingham on Wednesdays. Mollie Levine, who learned how to make them in Florida this spring, is teaching.

On August 16th, Pearl Cook will start teaching a flower-making class, using such materials as wood fibre, ribbon, feathers, paper and chenille. Any resident of Albany and vicinity over 50 years of age may join these classes.

All the experts on "Safety" recommend that every driver review, periodically the rules of safe driving. The Albany Senior Center extends a cordial invitation to attend a Safe Driving Clinic on Tuesday, August 29th at 1:30 p.m. at which time films on safe driving will be shown and Police Chief Ralph Jensen will discuss this important subject. Do Come! There will be no charge.

Minnie Ingraham, our tour director, announces there are a few vacancies on the Mystery Trip. She won't tell you where we are going but she will take your reservation if you call her at 526-3078 or call the Center, 526-1601.

Bradfield-Hall Wedding Held In Texas

Candice Bradford
New Bride
Edwards Photo

Candice Joy Bradford, daughter of Mr. and Mrs. Carl Eurich, 1505 Arlington Blvd., El Cerrito, became the bride of Gary Curtis Hall at the post chapel at Fort Sam Houston, San Antonio, Texas. The officiating chaplain was Captain Joe D. Worley.

Candice wore a street length ivory satin brocade gown with a short veil with the head-piece similar to a flower. Her only jeweled accent was a string of pearls. She carried a small bouquet of white carnations. She was unattended. Before her marriage, she attended North Berkeley Beauty College. She was a graduate of El Cerrito High School.

Gary is the son of Mr. and Mrs. James Hall, 616 Spokane Ave., Albany. He is a graduate of Albany High School; attended Contra Costa College for two years, and is now stationed at Fort Sam Houston undergoing specialized medical training with the medical corp.

DRIVING SCALE
A safe driving scale balances, according to the National Automobile Club, only if the car proves just as safe as its driver.
